

Estwing (ESTE3239MM)

E3/239MM Roofer's Pick Hammer Milled Face

The Estwing E3/239MM hammer is designed for the roofing trade. It has a spike for making a hole in the slate, a claw for extracting old nails and a magnetised, recessed head for starting nails accurately. It is one piece forged with Estwing's world famous shock reduction grip.

Type	Head Weight	Shaft Type	Handle Type
